or and owner of "Harper's Weekly."

Mr. Heddord disagreed with that, in any event, the Standard Oil Company would not change its policy.

In the face of this discouragement the strikers met in Mydosh's Hall yesterday and drafted a new set of proposals. The meeting followed a conference at the City Hall, in which the members of the strikers' committee discussed the sisuation with the conciliators, Mayor Garven of Bayonne and Adjurant General Sadier.

Strikers' New Proposals.

Before the new proposals were read to the strikers for ratification Director Cronin, of the Bayonne Department of Finance, addressed the meeting.
